Goals and Objectives

The Superintendent directs the administration in order to manage the School District and to facilitate the implementation of a quality educational program in alignment with Board policy 1:30, *School District Philosophy*. Specific goals and objectives are:

1. Challenge our District within the financial constraints to utilize internal and external resources to the fullest extent to create a World Class School.
 - a. Expand academic offering through Dual Credit and Virtual High School programs
 - b. Leverage existing and future technology to this purpose
 - c. Encourage staff development through strategic plan
 - d. Encourage Co-curricular development and participation to achieve continuity of the programs through head coach or advisor involvement and direction at all levels (7-12) including off season programs, camps and development opportunities.
2. Maintain a balanced budget while increasing curriculum and extra-curricular opportunities.
 - a. Continue discussions with neighboring districts.
 - b. Balance fiscal responsibilities with student achievement and opportunities.
3. Create an environment that encourages students to strive for excellence and accept accountability for their success.
 - a. Encourage and facilitate parental and community involvement in substance abuse awareness and prevention.
 - b. Encourage students to have pride in their school through co-curricular programs, academic achievement, and community involvement.
 - c. Facilitate and promote communication throughout the community to work together to build our future citizens.

Chain of Command

The Superintendent shall develop an organizational chart indicating the channels of authority and reporting relationships for school personnel. These channels should be followed, and no level should be bypassed except in unusual situations.

All personnel should refer matters requiring administrative action to the responsible administrator, and may appeal a decision to a higher administrative officer. Whenever possible, each employee should be responsible to only one immediate supervisor. When this is not possible, the division of responsibility must be clear.

Superintendent

Duties and Authority

The Superintendent is the District's executive officer and is responsible for the administration and management of the District schools in accordance with Board of Education policies and directives, and State and federal law. District management duties include, without limitation, preparing, submitting, publishing, and posting reports and notifications as required by State and federal law. The Superintendent is authorized to develop administrative procedures and take other action as needed to implement Board policy and otherwise fulfill his or her responsibilities. The Superintendent may delegate to other District staff members the exercise of any powers and the discharge of any duties imposed upon the Superintendent by Board policies or by Board vote. The delegation of power or duty, however, shall not relieve the Superintendent of responsibility for the action that was delegated.

Qualifications

The Superintendent must be of good character and of unquestionable morals and integrity. The Superintendent shall have the experience and the skills necessary to work effectively with the Board, District employees, students, and the community. The Superintendent shall have a valid administrative certificate with the superintendent endorsement issued by the State Certification Board.

Evaluation

The Board will evaluate, at least annually, the Superintendent's performance and effectiveness, using standards and objectives developed by the Superintendent and Board that are consistent with the Board's policies and the Superintendent's contract. A specific time should be designated for a formal evaluation session with all Board members present. The evaluation should include a discussion of professional strengths as well as performance areas needing improvement.

The Superintendent shall annually present evidence of professional growth through attendance at educational conferences, in-service training, or similar continuing education pursuits.

Compensation and Benefits

The Board and the Superintendent shall enter into an employment agreement that conforms to Board policy and State law. This contract shall govern the employment relationship between the Board and the Superintendent. The terms of the Superintendent's employment agreement, when in conflict with this policy, will control.

Administrative Personnel Other Than the Superintendent

Duties and Authority

The Board of Education establishes District administrative and supervisory positions in accordance with the District's needs and State law. The general duties and authority of each administrative or supervisory position are approved by the Board, upon the Superintendent's recommendation, and contained in the respective position's job description. In the event of a conflict, State law and/or the administrator's employment agreement shall control.

Qualifications

All administrative personnel shall be appropriately certificated and shall meet all applicable requirements contained in State law and Illinois State Board of Education rule. Administrative personnel must reside in the District within a specified period as provided in their applicable employment agreement.

Evaluation

The Superintendent or designee shall evaluate all administrative personnel and make employment and salary recommendations to the Board.

Administrators shall annually present evidence to the Superintendent of professional growth through attendance at educational conferences, additional schooling, in-service training, and Illinois Administrators' Academy courses, or through other means as approved by the Superintendent.

Administrative Work Year

The work year for administrators shall be the same as the District's fiscal year, July 1 through June 30, unless otherwise stated in the employment agreement. In addition to legal holidays, administrators shall have vacation periods as approved by the Superintendent. All administrators shall be available for work when their services are necessary.

Compensation and Benefits

The Board will consider the Superintendent's recommendations when setting compensation for individual administrators. These recommendations should be presented to the Board no later than the March Board meeting or at such earlier time that will allow the Board to consider contract renewal and nonrenewable issues.

Unless stated otherwise in individual employment contracts, all benefits and leaves of absence available to teaching personnel are available to administrative personnel.

Administrative Responsibility of the Building Principal

The Board of Education, upon the recommendation of the Superintendent, employs Building Principals as the chief administrators and instructional leaders of their assigned schools. The primary responsibility of a Building Principal is the improvement of instruction. Each Building Principal shall perform all duties as described in the School Code as well as such other duties as specified in his or her employment agreement or as the Superintendent may assign, that are consistent with the Building Principal's education and training.

The Superintendent or designee shall develop and maintain a principal evaluation plan that complies with Section 24A-15 of the School Code. Using that plan, the Superintendent or designee shall evaluate each Building Principal. The Superintendent or designee may conduct additional evaluations.

The plan shall provide that the evaluation of a Building Principal:

1. Be performed by the Superintendent or designee, or an individual appointed by the Board who holds a registered Type 75 State administrative certificate;
2. Be in writing;
3. Take place by March 1 of each year for a Building Principal on a single-year contract and by March 1 of the final year of a contract for a Building Principal on a multi-year contract;
4. Include a description of the Building Principal's duties and responsibilities and the standards to which the Building Principal is expected to conform;
5. Consider the Building Principal's specific duties, responsibilities, management, and competence as a Building Principal;
6. Specify the Building Principal's strengths and weaknesses, with supporting reasons;
7. Align with research-based standards established by administrative rule;
8. On and after September 1, 2012 provide for the use of data and indicators on student growth as a *significant factor* in rating performance; and

Provide that one copy of the evaluation must be included in the Building Principal's personnel file and one copy of the evaluation must be given to the Building Principal.

The Board and each Building Principal shall enter into an employment agreement that conforms to Board policy and State law. The terms of an individual employment contract, when in conflict with this policy, will control.

Every Principal hired must participate in a Principal mentoring program during his or her first year as a Principal. Each new Principal will complete a survey of progress outlining their progression.
