Counselor's Corner

This has been a great year, and I will miss the graduating seniors. I wish you all luck in everything you do! If anyone needs anything, I will be available through May 31. After that I will not be back until registration at the end of July. Graduating seniors, please do not forget to have your transcripts from Sauk sent to your college/university. I will send your high school transcripts, but you must send the Sauk transcripts yourself.

It's also never too early to start your college planning - use the summer to go on college visits and prepare initial college applications. If you are going to a 4-year university, early admission deadlines are usually around November 1. Any junior going to college will want to sign up for the ACT at www.actstudent.org.

Thanks again for a great year!

Believe it or Not!

Almost 8,000 entries were received for the Illinois Letters for Literacy Writing Competition sponsored by the Library of Congress. Fourth through sixth graders competed against each other with nearly three pages of rules and regulations to abide by. All entries had to be typed with few or no errors. It was a rigorous competition, but the fourth graders from Chadwick-Milledgeville rose to the occasion. From our very small rural school four students received honorable mention status and one student competed in the semi-final round of the competition believe it or not! Honorable Mention certificates for their outstanding essays were received by Leslie Mayne, Brinley Hackbarth, Rayden Ehredt, and Gabe Pauley. Keagan Helfrich's superior essay survived all judging through first, second, and third rounds to compete in the semi-finals believe it or not! All fourth graders entered the competition and all their essays were winners according to me! Mrs. Yochem

I would like to thank everyone for their support of the "Paws for Reading" Book Fair . The students raised just short of \$500 before the fair in the Sucker Pull (which by the way equals 1,983 SUCKERS!!! FYI.... about 300 more than last year!!!) to purchase books & help Scholastic give books away to the Kids in Need Foundation and they were **super** excited to visit and make purchases throughout the week. We met our goal of 300 books purchased and then some! I just can't thank you enough for getting books in your child's hands for the summer! We will see what may happen next year. Thanks, Mrs. Merema.
