WELCOME TO THE HOME OF THE MILLEDGEVILLE MISSILES

As Principal of Milledgeville High School, I would like to welcome all of our students back from summer vacation. The entire staff has been working hard to prepare for the upcoming school year. Your teachers are ready to challenge you academically and provide assistance when you need help. High School is a wonderful and exciting period in your life. Be conscientious when it comes to school work and please take advantage of the many extra-curricular activities we offer.

This handbook will insure your success at Milledgeville High School and provide the current practices, procedures, and policies of our school. As such, it does not represent a contract between the school and the student, nor does it attempt to cover every situation that may develop during the course of the school year. It is provided to acquaint you and your family with relevant information necessary for the orderly functioning of the school and is intended to describe the school, its current practices, procedures, rules, and regulations. It has been structured to help promote student progress.

You as the student are responsible for understanding the content of the handbook. After you have reviewed the handbook, your parents/guardians should review it so they will be aware of our school's expectations. Save a copy of the handbook to your computer for easy reference.

The entire Milledgeville High School staff is here to help you succeed. See your teachers if you have a question or a problem. Encourage your parents to call the school if they have concerns. May you have an enjoyable and successful year.

Sincerely,

Brian Maloy
Principal
Milledgeville High School

CURRICULUM

In its broadest sense, the curriculum of a school includes all of the organized activities of the school. It includes the subjects in which students are enrolled and the school organizations and activities in which students take part. These various subjects and activities are grouped together to form a pattern as responsive as possible to students' educational needs and interests.

The required credits in the basic curriculum are those through which the school attempts to meet some of the common educational needs of all students. The elective credits may be made up of courses for college entrance or the development of an appropriate skill to prepare the student for an immediate vocation.

GRADUATION

All graduates will be expected to wear the traditional cap & gown at the graduation ceremony. Any deviation must receive prior approval from the Board of Education.

Any student who does not meet Milledgeville High School graduation requirements will not be allowed to participate in the graduation ceremonies.

EARLY GRADUATION

Any student who wishes to graduate from Milledgeville High School in less than eight semesters must present an application to the board of education. This application must be completed and in to the high school principal by **October 1**. Also students that opt to graduate at the end of seven semesters forfeit any offices held, positions on athletic teams, and involvement in other activities including prom. All early graduates will be allowed to participate in the graduation ceremonies and will not receive their diploma until that ceremony.

GRADUATION REQUIREMENTS

The School Board determines high school graduation requirements that will provide each student ample opportunity to achieve the purpose for which the school district exists and that meet the minimum graduation requirements contained in State law. Unless otherwise exempted, each student must successfully accomplish the following in order to graduate from high school:

1. Complete all courses as provided in the school code.
2. Complete all minimum requirements for graduation as specified by Illinois State Board of Education.
3. Complete all District course requirements. Each student shall successfully complete 26 academic credits, including the following specific credits:

4. Pass the US & Illinois Constitution Tests.
5. Take the state administered SAT exam

DISTANCE LEARNING/DUAL CREDIT

The following guidelines will be followed at Milledgeville High School when considering a distance learning/dual credit course:

1. No distance learning/dual credit course will be offered if it appears to be a duplicate of a course offered concurrently at Milledgeville High School.
2. No distance learning/dual credit course will qualify as a class required for graduation at Milledgeville High School except in situations to resolve a scheduling conflict.
3. Courses offered as a distance learning/dual credit course will be considered a part of the formal curriculum of Milledgeville High School. This means that these courses will count toward a student's athletic eligibility, class rank and grade point average.

The following guidelines will be followed by the students when considering taking a distance learning/dual credit course:

1. Distance learning/dual credit will be open to Juniors and Seniors only.
2. Approval of the student's parents, guidance counselor and principal will be required prior to registering for a distance learning/dual credit course.
3. Students may be limited to the number of distance learning/dual credit courses they may take.
4. There will be no release time given to a student who is taking a distance learning/dual credit course. This means if a distance learning course is offered before or after school, this course will be taken in addition to the regular class load a Milledgeville High School Student takes.
5. Grades earned in a distance learning dual credit class will count towards a student's grade point average, class rank and eligibility for extra-curricular activities.
6. Students will be allowed to take up to 12 credit hours (4 courses) of dual credit, with emphasis this should take place during the senior year (August-May). The cost for these courses will be paid by the student.

CREDIT RECOVERY/CORRESPONDENCE PROGRAMS

Some schools do have specific course requirements. They do require graduation from an accredited high school and use other factors for admission.

Students should contact the guidance counselor for the admission requirements of specific schools.

NATIONAL HONOR SOCIETY

The minimum grade point average requirement for admission to the National Honor Society is 3.5, and a 3.5 grade point average must be maintained to stay in the National Honor Society.

Students that meet the minimum requirement will be voted upon for selection by The Faculty Council after they have completed the application process. The application process consists of listing what service the student has performed, recommendations of leadership, an essay on character, and staff evaluations. All of this information will be given to the Faculty Council that will vote and have final say on who is admitted into the National Honor Society. The student must receive a majority vote by the Faculty Council to be admitted.

All NHS members will be required to complete one service project each year. If the project is one other than the school organized project, it must be approved by the NHS sponsor prior to completion. Students that do not adhere to the code of conduct may be removed from the organization.

3. All students attending WACC shall use only the transportation provided by the district.

4. Students will follow the WACC schedule even though MHS may not have school. However, in case of bad weather, and MHS is closed, students will not attend WACC.
5. Any violation of the MHS BUS CODE will result in appropriate disciplinary action. Any activity, whatsoever, which is considered to have compromised the safety of transport will result in suspension not to exceed ten (10) days and/or, recommendation for expulsion.
6. When sharing transportation with Eastland High School, MHS students are subject to the rules and guidelines outlined in Eastland's transportation policy.
7. Students will not be allowed to go to their cars upon returning to MHS from WACC. Students who go to their cars without permission will face disciplinary action.

TEACHER AIDE PROGRAM

Students may apply for the teacher aide program by requesting an assignment from the high school office. Students' interests and abilities will be matched with teachers' needs within the framework of the student's existing class schedule. Students may be removed from the Teacher Aide Program for poor attendance/performance/academics.

DROPPING AND ADDING CLASSES

Students will have until the announced date to add/drop classes. Procedure for dropping or adding courses is as follows:

1. Obtain a schedule change authorization from the counselor.
2. Get appropriate teachers' signatures.
3. Obtain parent/guardian signature.
4. If approved, report to new classes the next day.
5. Students who fail to turn in add/drop sheets prior to the deadline may not be allowed to change classes.

WITHDRAWAL FROM SCHOOL

Students who wish to withdraw from school should report to the office to receive the proper form for withdrawal, and have it signed by the parent and all teachers, indicating that the student is free of any obligations for each course. All textbooks should be turned into their respective teacher and all fines and damage charges paid before the student leaves school. Students planning to enroll in another school should leave written parental permission in the office to send their records to the new school.

INCOMPLETES

If a student suffered a prolonged illness, injury, etc., the student may be granted additional time by the teacher and/or principal. If an excused absence occurs at the end of a nine-week grading period then that incomplete has to be made up according to the homework policy.

SEMESTER EXAMINATIONS

At the conclusion of each semester, semester examinations will be given. A definite semester-examination schedule will be determined and posted. Students who miss exams must take exams at the designated time for make-ups or will receive a grade of zero for the exam.

Second Semester seniors who have achieved a minimum of a 2.0 g.p.a for the semester, received no suspensions or Saturday Schools during the year, and has no unexcused absences during the year or excessive excused absences more than 10% of the school year, will be exempt from all second semester exams.

SEMESTER GRADE

A semester grade is calculated as follows:

45	1 st nine weeks grade
45%	2 nd nine weeks grade
<u>10%</u>	<u>semester exam</u>
100%	semester grade

CHEATING & PLAGIARISM

Giving or receiving information during an examination or on assignments, which do not allow for students working together, will result in a grade of zero and notification to the parents. Plagiarism of any kind will result in a zero for the assignment and the student's parents will be notified.

Internet plagiarism is a serious offense. The high school subscribes to a plagiarism prevention tool called "turnitin.com." A teacher may upload/submit for evaluation any or all of a student's written work for his/her class. If plagiarism is detected, a student may be given a chance to revise written work on a rough draft or he/she may receive a zero for a final paper/project. Subsequent Internet plagiarism offenses will be referred to the Principal immediately and will be subject to discipline measure.

GRADING SYSTEM

The grading system used in each class will be as follows:

- A - 93-100
- B - 85-92
- C - 77-84
- D - 70-76
- F - Below 70

Recorded grades for each quarter and final grades shall be given a point value according to the following scale:

- A - 4 points
- B - 3 points
- C - 2 points
- D - 1 point
- F - 0 points

A plus (+) or minus (-) may be added to a grade as an informational device for the students and parents; however, it will not affect the grade point average (GPA).

A grade point average (GPA) will be computed for each quarter. The final GPA for a semester will be computed as an average of both quarters and the semester exam. The cumulative GPA will be computed as an average of all semester GPA's.

Any student who fails a required course must repeat that course or an approved substitute within the next year. Approval may be obtained through the school counselor with the final approval of the High School Principal.

If a student fails an elective course, provisions must be made to make up the credit; however, the student does not necessarily have to repeat that same course.

WEIGHTED CLASSES

The following college-prep and honors classes will be given an additional honor point for the purpose of computing grade-point-average and class rank for students earning a grade of A, B. Grades of C, D or F will not receive an additional honor point.

The following classes are weighted: Physics, Calculus, Honors English 2, 3, and 4, Honors United States History, Honors Government and Spanish 4.

Any student enrolled in the Sauk Valley Community College's "Sauk Academy" will receive weighted grades for all courses taken in English, Math, Social Science, Science, and Foreign Language.

HONOR ROLL

Academic and attendance honor rolls will be figured at the end of each 9-week grading period and at the completion of each semester.

HIGH HONORS

In order to receive this honor, students must achieve a 4.0 g.p.a

HONORS

In order to receive this honor, students must achieve a 3.5 g.p.a

HONORABLE MENTION

In order to receive this honor, a student must achieve a 3.0 g.p.a

PERFECT ATTENDANCE HONOR ROLL

In order to receive this honor, students must have perfect attendance during the grading period.

VALEDICTORIAN-SALUTATORIAN AWARDS

The Valedictorian Award is given at Commencement to the senior student with the highest cumulative grade point average and thus the highest class rank after eight semesters. If two or more students take all the weighted classes offered and receive the same grades in each of those classes, they will all be named valedictorian.

The Salutatorian Award is given at Commencement to the senior student with the second highest cumulative grade point average and thus the second highest class rank after eight semesters except that in the case of co-valedictorians, the senior student with the next highest cumulative grade point average will be honored as salutatorian regardless of class rank.

Rtl/ENRICHMENT GUIDELINES

Academic growth will be measured three times throughout the school year using the NWEA Measures for Academic Progress assessment program. Students who are found not to be achieving a standard level of growth will be referred for Response to Intervention (Rtl) services. These services will occur within a specialized format during the common instructional study hall scheduled for Advisory. If after receiving services a student displays sufficient academic growth, their status will be reevaluated by the Problem Solving Rtl Team and may be released from the program.

Students who are not identified as requiring Rtl services will be allowed to participate in ongoing enrichment opportunities during the Advisory instructional study hall.

ATTENDANCE

ATTENDANCE POLICY

The process of education requires participation, learning experiences, and study in order to reach the goal of maximum educational benefits for each individual student. The school cannot reach or teach students who are not present. If the student is absent, the benefit of regular classroom instruction is lost and cannot be entirely regained. On the practical level, student attendance is required by law, but on a more personal level, dependability is a trait admired and rewarded by society in general, and thus is a value that schools should nourish. A poor attendance record is cause for concern because there is a strong relationship between attendance and academic progress in school. The problem also extends into adulthood, as job absenteeism is a growing problem to the business and professional world. The school may try all efforts to require a student to be present at school but it is ultimately the parents' responsibility to teach their child that attending school is a necessity. We ask that all parents take this responsibility very seriously.

Students must be in attendance a full day on the day of the activity to be eligible to attend extra-curricular events that evening, unless the principal gives prior consent.

Students must report to school prior to the start of fifth period in order to participate in practice. Exceptions to the rule will be up to the discretion of the principal and prior consent is required.

Students who are absent in excess of four times during any quarter of the school year may be required to attend a conference with the Principal. The conference would be with the parents to examine and review the student's history and reasons for absences. Students may be required to provide a doctor's verification if their absences for illness are near or exceed four absences during any quarter of school. If a doctor's note is asked for and not received, the student's absence will be unexcused. The school will work with the student and parents in these situations to encourage regular daily attendance, however, it is ultimately the parents' responsibility.

The school is trying to teach the student dependability and in order to accomplish this goal the school **MUST** know the reason why a student is absent or late. We request that parents state the specific reason a student is absent; not "needed at home" or "personal". Parents have the right to keep their child home from school without giving the school a reason but the school also has the right to determine whether an absence is excused or unexcused. **Students who are absent without reason will be unexcused from school.**

ABSENCE PROCEDURES

Parents are requested to call the office to report the reason that their son or daughter is unable to attend school that day. The phone number is 225-7141 or 225-7143. The school has an automated answering service so parents may call at any time and leave a message as to why their child is not in school. The school will contact the parent at home or at work if the parent has not notified the school of the student's absence that day. **IF A PARENT DOES NOT CALL THE SCHOOL BY NOON THE DAY AFTER A STUDENT IS ABSENT, THE ABSENCE WILL BE UNEXCUSED.**

The student must bring a written statement signed by the parent stating the date and reason for the absence, unless parent contact has been made by phone.

BACK TO SCHOOL GUIDELINES FOR COMMON CHILDHOOD ILLNESSES

- **CHICKEN POX:** Cases must be excluded from school for not less than five days after the eruption of the last vesicles (blisters) even if the case is very light or until all vesicles are dry in more severe cases.
- **PINK EYE:** May return to school 24 hours after treatment with proper antibiotics.
- **STREP THROAT:** May return to school 24 hours after the start of treatment with antibiotics.
- **FEVER:** May return when temperature has been normal for at least 24 hours without the use of fever reducing medications such as Tylenol.
- **VOMITING OR DIARRHEA:** May return when symptoms have been gone for 24 hours.
- **HEAD LICE:** May return after treatment with proper pediculicide shampoo. Proper washing and drying of all clothing, coats, hats and bedding are necessary. After treatment, students must be checked by the school nurse prior to returning to class. More information is available from the school nurse.
- **SCABIES:** May return 24 hours after the start of treatment.
- **IMPETIGO:** May return 24 hours after the child has been treated with proper medication.
- **OPEN WOUNDS:** All open wounds must be covered.
- **RASHES:** Undiagnosed rashes may require a physician's note.

EXCUSED ABSENCES

1. Student illness
2. Serious illness in immediate family
3. Death in family
4. Medical, dental, or legal appointments that cannot be arranged outside of school time. Any student absent from school due to a doctor or dentist appointment must, upon returning to school, bring a written statement from the doctor or dentist's office with the time and date of their appointment.
5. Emergency situations or other reasonable parental requests, as determined by the principal.
6. Observance of religious holidays.

Students absent 3 or more consecutive days will be required to submit a doctor's release form to the school.

Parents are encouraged to request a student's homework when they call the school to report their child's absences. Arrangements can be made to send the homework home with a sibling or other relative.

Every effort should be made by the student to complete the homework.

HOMEWORK/MAKEUP POLICY

IT IS THE STUDENT'S RESPONSIBILITY TO OBTAIN ANY HOMEWORK THAT IS MISSED DURING AN ABSENCE.

When a student has an excused absence it is their responsibility to obtain missed homework assignments. Parents and students are encouraged to contact their teachers directly using e-mail to obtain work as soon as possible. For every day a student is absent they have the same amount of time to make-up the work i.e. home sick for 3 days you would have 3 days to make-up the work. Students are also encouraged to contact their instructors if they have questions.

PRE-ARRANGED ABSENCES (EXCUSED)

IT IS THE STUDENTS' RESPONSIBILITY TO OBTAIN ANY HOMEWORK THAT WILL BE MISSED DURING A PRE-ARRANGED ABSENCE. If it is known in advance that the student will be absent for any length of time and for any reason, the parent is to contact the principal

prior to the absence. After talking to the principal, the students should get his/her assignments from their teachers. All work is expected to be turned in three (3) days after his/her return to school.

Reasonable parental requests as determined by the principal.

Students are allowed 1 excused absence for the purpose of hunting. Students must provide the office with a copy of a hunting tag for the absence to be excused.

College visitation day(s) for juniors and seniors:

The student must be current in all assignments and not failing in any subject.

Prior to taking the visitation day, the student will obtain a College Visitation Day form from the guidance office.

This form will be completed, specifying the name of the college being visited, the date and time of the appointment and the name and telephone number of the college representative that the student will be seeing, and signed by the student's parent or guardian.

The form should then be brought to the office for approval of the planned visitation.

The student will then take this form with him/her and obtain the signature of the college representative.

Upon returning to MHS, the student will return this form to the high school counselor.

The absence will be listed as unexcused until this form, completed and signed as specified above, is turned in. The student is responsible for making up any tests and/or daily work missed prior to his/her absence.

Carroll County Truancy Protocol

Introduction: In the State of Illinois, minors between the ages of six (6) years and seventeen (17) years of age are subject to compulsory school attendance. Therefore, all children of these ages in the State of Illinois shall attend a public school within the district wherein the child resides the entire time that school is in regular session. (105 ILCS 5/26-1). There are three primary entities which are responsible for enforcing the compulsory education law and for addressing the issue of truancy in this State. Those three entities are 1) the individual school districts, 2) the Regional Office of Education, and 3) the Juvenile Court. The purpose of this protocol is to ensure that each of those entities understands its responsibilities, as well as those of the other entities, in order to achieve the best possible outcomes in addressing truancy in Carroll County.

PART A: SCHOOL DISTRICT RESPONSIBILITIES

- A. School districts are mandated by statute to adopt policies consistent with rules developed by the State Board of Education to address the issue of truancy within their district (105 ILCS 5/26-13).

- B. School officers and teachers must assist the truancy officer or truancy specialist in gathering information regarding the student and his/her attendance. (105 ILCS 5/26-9).
- C. Definitions of: a) "truant" - a child subject to compulsory school attendance who is absent without valid cause; b) "valid cause" for absence-illness, observance of religious holiday, death of immediate family member, family emergency, and other such situations beyond the control of the student or family as determined by the Board of Education or such other circumstances
- D. related to the safety or health of the child; c) "chronic or habitual truant" - a child subject to compulsory school attendance who is absent without valid cause from such attendance for 5% or more of the previous 180 regular attendance days; d) "truant minor" - a chronic truant to whom supportive services, including prevention, diagnostic, intervention and remedial services, alternative programs and other school and community resources have been offered and refused, (105 ILCS 5/26-2a).
- E. The school district is responsible for making a good faith effort to notify the parent/custodian of a student who is absent without valid cause. (105 ILCS 5/26-3b).
- F. A report of non-attendance shall also go to the Regional Superintendent of Schools who shall notify the truant officer or truancy specialist of the situation.
- G. No punitive action, including out of school suspensions, expulsions, or court action, shall be taken against chronic truants unless available supportive services such as tutoring, counseling, testing for special education, a referral to the TAP program, or other remedial resources have been provided to the student.

PART B: REGIONAL OFFICE OF EDUCATION/TRUANCY OFFICER RESPONSIBILITIES

After notice given to the truancy officer or truancy specialist by the Regional Superintendent, the truancy officer or truancy specialist shall begin an investigation into all truancy or non-attendance cases. (105 ILCS 5/26-5)

- A. At two (2) unexcused absences, the truancy officer or truancy specialist shall begin the intervention process with the student and family.
- B. If the intervention is unsuccessful, at three (3) unexcused absences, the student and family shall be given the Notice of non-compliance. Said notice shall state the following:
 1. The date that attendance at school must commence; and
 2. That said attendance must be continuous in the school district during the remainder of the school year. The teacher or principal of said child shall be notified that the statutory notice has been given and shall advise the truancy officer or truancy specialist of non-compliance. (105 ILCS 5/26-7).
- C. After the notice outlined in paragraph 3 above has been given, the Regional Superintendent of Schools or his/her designee shall determine compliance with said notice. If three (3) compliance notices have been given and the parent/custodian has knowingly and willfully allowed the truant behavior to continue, the Regional Superintendent of Schools or his/her designee shall conduct a truancy hearing. (105 ILCS 5/26-8). However, if one such Notice has been given to the parent of a child who is 11 years old or younger and the child has one more unexcused absence after the Notice has been served upon the parent, the ROE shall notify the State's Attorney's Office and provide documentation of having served the Notice upon the parent and of the child's unexcused absences. The State will consider filing a complaint against the parent of the child (or person having control of the child) for Permitting a Child to be Truant, in violation of 105 ILCS 5/26-10, which is a Class C misdemeanor. Initial sanctions should be geared toward gaining the parent's compliance, which could include placing the parent on conditional discharge and requiring the parent to report in to the attendance office with the child at the beginning of each school day.
- D. If, as a result of said hearing, the Regional Superintendent of Schools or his/her designee determines that the minor is truant, he or she shall, if the student is age appropriate, require the student to perform 20 to 40 hours of community service hours over a ninety (90) day period. If the truant behavior persists after the imposition of community service, the Regional Superintendent of Schools or his/her designee shall a) make compliant against the persons having custody or control to the State's Attorney where such person resides or b) conduct truancy mediation and encourage the student to enroll in a

graduation incentives program (105 ILCS 5/26-16) and or other district support services, such as credit recovery, and counseling services through a comprehensive community based youth service agency. In the event that the truant behavior has continued after the notice outlined in paragraph 3 above and the child is beyond the control of the parents, guardians, or custodians, a truancy petition shall be filed (105 ILCS 5/26-8.)

- E. In the case of a minor who is on probation, the Probation Department shall be immediately notified of all unexcused absences and the Probation Department, in conjunction with the State's Attorney's Office, shall decide on a case-by-case basis whether a petition alleging violation of probation shall be filed with the Court.

PART C: JUVENILE COURT RESPONSIBILITIES

- A. After the school district and Regional Superintendent have exhausted all statutory requirements and possible remedies, a petition shall be filed in Juvenile Court by the State's Attorney. If the minor child who is subject of the petition is under the age of 13 years, a petition alleging educational neglect shall be filed. If the minor child is 13 years of age and older, a truancy petition shall be filed. In either case, said petition shall provide the following information:

1. the names and addresses of parents, guardians or custodians of the student;
2. the dates of the truant behavior;
3. the dates and nature of contacts or conferences with the student and the parents, guardians of custodians of the student;
4. the nature of the proffered supportive services;
5. the alternative programs and other school resources that the district provided to the student in an effort to correct the truant behavior (105 ILCS 26-8a).

- B. Adjudicatory hearing must be held within ten (10) days and a finding must be acted upon within thirty (30) days. (105 ILCS 5/26-8b).

C. Possible dispositions upon a finding of either educational neglect or truant minor in need of supervision include but are not limited to the following;

1. the minor may be committed to the Regional Superintendent for a multidisciplinary case staffing, individualized educational plan or service plan, or referred to a comprehensive community-based youth services;
2. the minor may be required to comply with an individualized educational plan or service plan as specifically provided by the appropriate Regional superintendent;
3. the minor may be ordered to obtain counseling or other supportive services;
4. if the Court makes an express written finding that a truancy prevention program previously has been offered to the minor, he/she may be fined in an amount in excess of \$5.00 but not more than \$100.00 per day for each day of an unexcused school absence, required to perform some reasonable public service work such as picking up litter or maintenance of a public facility, and/or subject to having his or her driver's license or driving privileges suspended up to age 18. (705 ILCS 405/3-33b).

- D. In the event that the parent, guardian or custodian of the minor has been non-compliant, and he/she has been given notice of the State's intent to pursue sanctions, and the Court finds that the parent, guardian custodian has knowingly and willfully permitted the child to persist in his/her truancy within the school year, he/she shall be guilty of a Class C misdemeanor and shall be subject to not more than thirty (30) days imprisonment and/or fine of up to \$500.00. (105 ILCS 5/27-10).

- E. Any person who is found to have induced or attempted to induce a child to be absent from school unlawfully, or to knowingly employ or harbor, while school is in session, any child unlawfully absent from school for three (3) consecutive days is guilty of a Class C misdemeanor. (105 ILCS 5/26-11)

PE EXCUSES

If a student is to be excused from PE, the student must bring a note signed by the parent, stating the reason and date.

A note from the parent will excuse the student from PE for **1 day only**.

If a student must be excused from PE for more than 1 day at a time, a note, signed by the doctor, may be required.

Students who are excused from PE for an extended period of time may be required to complete written work in place of physical participation.

PE participation is expected and required. Students choosing not to participate in daily activities will receive a zero for the day. After 3 are accumulated the student will receive a detention for each additional day of non- participation.

A student may opt out of PE if they are participating in a sport if they are a Junior or Senior, have met the graduation requirement, or if they have an academic conflict which cannot be remedied. An academic class must be substituted for the PE class.

SKIPPING CLASS

Students who skip class will serve a detention equal to time missed and will **not** be allowed to make up work, tests, projects, etc. Students may also face further disciplinary action. Repetition may result in suspension.

TARDY SLIPS AND PASSES

Students will be allowed two (2) unexcused tardy without penalty. The third unexcused tardy will result in a detention.

Once a student has received a detention for the 3rd unexcused tardy, the following rules will apply:

4th unexcused tardy – detention

5th unexcused tardy – 1-hour detentions

6th unexcused tardy – Saturday Detention

7th unexcused tardy and beyond may result in further disciplinary action

**Discipline tiers accumulate on a semester basis.

SIGN-OUT PROCEDURE

A student **will not** leave the building during the school day unless he/she has a note from home, phone call from home or receives permission from the office to leave. All students who leave during the day **must** sign out in the office. Failure to sign out in the office may result in disciplinary steps being taken.

STUDENT CONDUCT

In order for students to fulfill their educational goals, an atmosphere which is conducive to learning must be maintained. When students do not display appropriate behavior, others are deprived of the opportunity to learn.

It is recognized that not all disciplinary problems and situations can be identified in the “general” guidelines. The administration reserves the right to act appropriately at its discretion in any situation or problem that is not specifically stated, calls for additional disciplinary measures or overrule or suspend the guidelines due to an unusual or unique set of circumstances. Any such “change” or “ruling” by the administrator is not deemed to be policy or precedent setting.

**The commission of, or participation in, criminal acts can result in report to, or involvement of, law enforcement or other outside authorities.

Certified personnel have the right to use sufficient force to prevent personal violence, injury and/or property damage.

All disciplinary policies shall be in force at all school activities, home and away. Students participating in or attending school-sponsored activities away from the school are still subject to and governed by the Milledgeville High School regulations. Students may be disciplined for off-campus conduct if the student behavior is reasonably connected to school interests.

DISRUPTIVE BEHAVIOR

If a teacher finds it necessary to remove a student from class because of disruptive behavior, the student must report immediately to the principal. Both the student and the teacher will discuss the matter with the principal. The principal will then determine the disciplinary action to be taken.

Teachers may establish and enforce additional classroom rules.

DISCIPLINE STEPS

Step One - Teacher Conference

Teacher contact and conference with the student will be used as the first step in changing behavior. If the problem is deemed serious, a teacher should issue an immediate detention and/or immediate principal referral. If the problem continues, a teacher initiated parent contact should be made. These conferences should be conducted outside class time whenever possible.

Step Two – After School Detention

If the problem continues without a change in behavior, the student will be given a detention. The teacher assigning the detention will be responsible for following up on the serving of the detention. If a student is removed from class by the teacher and sent to the office, the student will automatically receive a detention to be served with the teacher.

Step Three - Principal Referral

If the problem continues or the detention is not served, the student will be referred to the principal. At that time the principal will determine the appropriate action.

AFTER SCHOOL DETENTION

After school detentions will be held each Thursday for up to one hour (3:15 PM to 4:15 PM). The times and locations of the detention will be published in the daily announcements.

During after school detentions students will only be allowed to talk with the supervisor's permission. Students will not be allowed to have any food, drink, etc. during the detention. Students will be allowed one three-minute restroom pass. Students must be working during the entire detention.

Students in after school detention will not be allowed to participate in any activities after 3:10 PM. Students who fail to report to their assigned after school detention or misbehave during the after school detention will have the following consequences:

2nd offense: 1 Day Out of School Suspension (OSS)

Failure to serve a regular detention will result in a three-hour Saturday School. Students who receive five (5) detentions a semester will receive a three-hour Saturday School.

SATURDAY SCHOOL

BULLYING, INTIMIDATION AND HARRASSMENT

Bullying, intimidation, and harassment diminish a student's ability to learn and a school's ability to educate. Bullying is an act of repeated aggressive behavior in order to intentionally hurt another person, physically or mentally, and preventing students from engaging in these disruptive behaviors is an important District goal. Bullying, harassing or intimidating a student based upon a student's race, color, nationality, sex, sexual orientation, ancestry, age, religion, creed, physical or mental disability, gender identity, order of protection status, status of being homeless, or actual or potential marital or parental status, including pregnancy, or other protected group status is prohibited.

GUIDANCE SERVICES

High school can be a challenging time for both students and parents. There are many successes as well as struggles. The guidance program is an excellent resource for planning and support during this time of growth and learning.

The goal of the guidance program is to foster the development of and provide support to every student in the areas of academics, college and career planning, and personal and social growth. This broad spectrum of services enables students to have the maximum opportunity for personal and professional success not only in high school but also in their future beyond.

Although the guidance counselor is available to provide suggestions and support, it is the ultimate responsibility of the student and their family to have a successful high school career. Parents are encouraged to be a part this accomplishment.

The guidance counselor has an "open door" policy to all students; however, the main goal of school is, of course, to learn. All students are encouraged to make appointments in advance either before or after school or as pre-approved by their teacher. Individual appointments are not available during activity period and lunch except in case of emergency. The counselor is available at these times for general discussion.

Additional services provided by the guidance counselor are college visits, financial aid and scholarship information, career guidance, and course selection. Please remember that the counselor is also available for emotional, interpersonal, and social guidance – successes as well as struggles.

Confidentiality is an integral part of the guidance program. Students as well as parents should feel safe in discussing personal issues with the counselor. The counselor's main job is as student advocate, and that means that students need to trust and feel secure in the guidance office. Following is a statement of confidentiality and its limitations as stated by the Code of Ethics of the American School Counselor Association:

Confidentiality of Counseling Sessions

All information about students is held in strictest professional confidence unless released at the request of the student or court ordered to another qualified professional. Such release of information is made only after a statement signed by the student has been placed on file with the counseling program. The release details the nature of information to be communicated and specifies to whom such information is to be communicated. Additionally, there are two important exceptions to confidentiality:

If a student threatens harm or death to themselves or another person, counselors are legally, ethically and morally required to act to protect the safety of the threatened person.

If abuse or neglect of a child, aged person or disabled person is known or suspected, counselors are required by law to report that concern to The Department of Children and Family Services (DCFS).

If you have any questions about the confidentiality of the sessions, please ask your counselor.

HEALTH EXAMINATIONS AND INOCULATIONS

All health requirements set by the State of Illinois for kindergarten, fifth and ninth grade pupils must be met by the first day of school, or the student will not be allowed to attend. Any child not meeting these requirements by this date may be reinstated by the administration upon the receipt of evidence of the completion of all requirements or upon notification of the day, time, physician or dentist, and location of an appointment for the completion of all requirements.

In addition to the physician's written order, the school must receive a written request, signed by the parent/guardian, that the medication be given during school hours. The request must include the parent's/guardian's name and phone number in case of emergency.

In the event of illness or accident, school personnel will give emergency care only. Parents will be contacted immediately and are responsible for any additional care needed.

ILLNESS

Any student who becomes ill while at school should go to the office immediately. School office personnel will contact the parent by phone before the student is allowed to leave school. A cot is available for student use when it is unnecessary or impossible for the student to go home. As required by the health department, students who are sent home from school because of fever or vomiting may not return to school for 24 hours.

ACCIDENTS

Any accident in the school building, on the school grounds, or at any school-sponsored activity, must be reported immediately to the person in charge or to the school office.

Proper medical referrals will be made when necessary.

It is the responsibility of the students and parent to fill out "emergency cards" each year and to keep them up to date. Student insurance claims must be filed within 90 days.

DISPLAYS OF AFFECTION

Displays of affection between students (except for holding hands) will not be allowed in the building, on the school grounds, or at school sponsored activities/events. Violations could result in disciplinary action.

SCHOOL DANCES AND ACTIVITIES

Throughout the year, various organizations may sponsor dances. These dances are open to the students of our school, to their guests who are enrolled in another high school, and to guests who are not enrolled in high school as long as they are under the age of 21. Guests must be approved by the Principal. Forms are available in the office for this purpose. The forms must be submitted by a deadline date which is announced. No Junior High students will be allowed as guests. Students who bring a guest are responsible for the conduct and behavior of their guest. Guests are to abide by the same rules as Milledgeville students. Students who dance in an inappropriate manner (ex. Grinding) will be asked to leave the dance and will not be allowed to return. All students and/or guests may be required to take a breathalyzer test upon arrival to the dance and are subject to the District Student Discipline Policy. All students and/or guests who leave the building during school dances are not allowed to return.

STUDENT LOCKERS

A student's school locker and lock are the property of the school and must be used for the purposes intended: a storage area for books, school supplies, and outdoor garments. As such, they are provided for student use and are not to be considered private

property. If school officials believe that the student has placed illegal or dangerous materials or substances in the locker, school officials may search the locker, with or without the student's knowledge or consent. Lockers may be searched by school officials at any time.

Care or maintenance of your locker or lock is the responsibility of the user. If a locker or lock is damaged, it is the responsibility of the user to pay for the damages.

Lockers are to remain locked at all times.

BACKPACKS

Students are allowed to carry ONE school-issued backpack during school hours to carry books and their laptop computer which is provided by the District.

VISITORS

Students who wish to bring a visitor to school must make 24 hour advance arrangements in the office. Visiting by students of other schools is not encouraged. Persons who are not associated with the school are not allowed to visit students or staff or to be in the halls except to go to the school office. No visitors are allowed during exam weeks. All visitors will report to the office and receive a visitor badge. They will return the badge and sign out before leaving the school.

ASSEMBLIES

From time to time during the school year, assemblies will be held. These assemblies may be of a serious nature or they may be mainly for entertainment. Regardless of the type of program, courtesy demands that all students be respectful. Attendance at all assemblies is required unless otherwise notified by the office.

BUS TRANSPORTATION

School bus transportation is provided for students who live more than 1 1/2 miles from school, and to those students living within the 1/2 mile limit when safety conditions dictate. Buses are also used in transporting teams and groups to various activities.

Safety dictates that students obey the following rules, as well as all rules established by the bus driver:

1. Bus students are permitted to converse quietly with persons sitting near them.
2. All students must be seated and are not permitted to change seats when the bus is in motion or annoy other riders on the bus.
3. Students must not, under any circumstances, put their head or arms out of the windows and windows must not be lowered below the mark shown on the bus. This is a state regulation.
4. Treat bus equipment as you would valuable furniture in your home. Damage to seats, etc., must be paid for by the offender.
5. In the case of a road emergency, remain in the bus until instructions are given by the driver.
6. The use of profane or abusive language will not be tolerated on the bus.
7. Smoking or striking matches is not permitted on the bus.
8. Drivers are not permitted, except by proper authorization by a school official, to stop at places other than the regular bus stop.
9. Do not push or crowd when loading or unloading. Be courteous to fellow passengers, allowing front row students to disembark first.
10. Unload only by the front door. Rear door is for emergency only.
11. The throwing of any articles on the bus or out of the windows will not be tolerated.

All students going on the bus to school-sponsored activities must return on the same bus. If a student wants to return home with his/her parents, one of the parents must either see the person in charge and ask permission or send a signed note of approval to the bus driver prior to departure from the school.

If any student is reported by the bus driver for misconduct, that student may be suspended from riding the bus to or from school until the matter has been resolved.

STUDENT PARKING AND DRIVING

Students driving cars are required to park their cars in the Park District property parking lot immediately upon arrival at school. Students may not sit in their cars or loiter in the parking lot. Students will not be allowed in the parking lot until the end of the school day. Cars are not to be moved from the designated areas until the student's classes are completed for the day, unless special permission is obtained from the office.

Students should not park illegally. This includes but is not limited to parking in a no parking zone, double parking and parking in the faculty lot. Vehicles found to be parked illegally will be identified and students will receive a warning and asked to correct the vehicle. If the problem persists, the car could be towed and/or parking privileges could be revoked.

Anyone driving recklessly on school grounds, or on the way to or from school, may be denied parking privileges on the school grounds.

Drivers and passengers riding in cars in violation of these regulations will be held equally responsible.

WORK PERMITS

Child Labor Law regulates the employment of workers under 16 years of age. The law protects children by requiring employment certificates. The certificate confirms that a minor is old enough to work, physically capable to perform the job, and that the job will not interfere with the minor's education. A student under the age of 16 may NOT work:

SEVERE WEATHER/DISASTER PROCEDURES

Severe weather is continuously monitored using NOAA weather information and if warranted, the severe weather/disaster alarm, which is announced over the intercom, is sounded. The Chadwick-Milledgeville CUSD #399 conducts surveillance inspections for asbestos containing materials every six months. You are hereby notified that major asbestos abatement projects were completed at the Milledgeville School during the summer of 1990, and at the Chadwick School in the summer of 1993. All friable asbestos was removed under the direction of C & W Bradley, P.C., of Rockford. Only some very minor amounts of non-friable asbestos containing materials, i.e., floor tile and ceiling tile, remain in the structures.

The Asbestos Management Plans and Inspection Reports may be examined at the individual school offices and at the Superintendent's office. Questions regarding any asbestos concerns may be answered by contacting the Superintendent at (815) 225-7141.

ACCESS TO TECHNOLOGY – Including Student Laptops, Networked Computers and the Internet

The School Board's goal is to include technology in the District's instructional program in order to promote educational excellence by facilitating resource sharing, innovation, and communication.

The School District is not responsible for any information that may be lost, damaged, or unavailable when using the network, or for any information that is retrieved via the Internet. Furthermore, the District will not be responsible for any unauthorized charges or fees resulting from access to the Internet.

Individual School Board members, administrative staff and support staff members shall be considered as teacher with regard to this policy. "Internet" includes all information accessed by Internet sites, E-Mail, on-line services, and bulletin board systems.

CURRICULUM

The use of technology shall be consistent with the curriculum adopted by the District as well as the varied instructional needs, learning styles, abilities, and developmental levels of the students. The technology shall comply with the selection criteria for instructional materials and library-media center materials. Teachers will use technology, including the Internet, throughout the curriculum. The Internet is part of the curriculum and is not a public forum for general use.

All use of the District's connection to technology, including the Internet, must be in support of education and/or research, and be in furtherance of the School Board's stated goal. Use is a privilege, not a right. General rules for behavior and communications apply when using the Internet. Appropriate uses, ethics, and protocol for the internet and student laptops are listed below. Electronic communications and downloaded material may be monitored or read by school officials.

All use of technology shall be consistent with the district's goal of promoting educational excellence by facilitating resource sharing, innovation, and communication. The *Student Laptop Home Agreement* does not attempt to state all required or proscribed behavior by users, however, some specific examples are provided.

The failure of any user to follow the terms of the Authorization for Technology Access will result in the loss of privileges, disciplinary action, and/or appropriate legal action. Consequences may include the following steps:

1. Loss of home computer use for 2 weeks + detention.
2. Loss of home computer use for 4 weeks + detention or suspension.

- d. Electronic messages transmitted via the School District’s Internet gateway carry with them an identification of the user’s Internet “domain.” This domain name is a registered domain name and identifies the author as being with the School District. Great care should be taken, therefore, in the composition of such messages and how such messages might reflect on the name and reputation of the School District. EXTRA-CURRICULAR AND CO-CURRICULAR ACTIVITIES

INTERSCHOLASTIC ELIGIBILITY

To be eligible, participants must:

1. Be enrolled as full-time students.

To be eligible, participants must:

1. Be enrolled as full-time students.
2. Have passed at least 6 courses during the immediately preceding semester.
3. Be passing at least 6 courses during the current semester. The Principal will check each week with all teachers to be sure this requirement is met.
4. Be in attendance for a full day on the day of the event, unless prior consent is given by the principal.

The following may be grounds for extracurricular ineligibility and/or dismissal from the group or activity.

Enforcement of these rules is not the sole responsibility of the coach, but must be shared by parents and team members. Both parents and team members sometimes have knowledge of extra-curricular policy violations and, therefore, has an obligation to report the situation to the coach or administration.

Two categories of extracurricular activities are offered at MHS:

- Group 1 is athletics, spirit squad, and the theatre department.
- Group 2 are activities such as FFA, NHS, and Student Council.

Consequences for 1st Violation:

- Group 1 activities upon the first violation of the athletic code will lose participation in 20% of the regularly scheduled events they are currently in or the next event they participate in. If a student is involved in multiple Group 1 activities at once the 20% will be applied to activity that has the next scheduled event. While that consequence is served they are ineligible for all Group 1 activities. (Example: Next event is basketball game; they are also in scholastic bowl. They are out of scholastic bowl until the 20% of basketball is served.)
- Group 2 activities upon the first offense the student loses all leadership role in the activity and any other punishment as set out by national bylaws of the organization (ie. NHS). At the advisor's discretion, the student will be held out of any non-academic events that are used for incentive or "fun".

Consequences for 2nd Offense:

The individual will be suspended from all athletic competition for a calendar year beginning with the date of the infraction. He/She will take a treatment program recommended by the school counselor. To be a member of the team, the athlete must still attend all practices.

Consequences for 3rd Offense:

The individual will be suspended from participation in all extra-curricular activities during the remainder of his/her time as a student of Milledgeville High School.

Any serious penalties, suspension, or activity dismissal will not be issued until a conference is held with the Athletic/Activities Sponsor. Any questions concerning eligibility for extra-curricular activities should be referred to the Principal.

Fight on for Milledgeville;
We've got to keep our honor high!
So let's go! go! go!
Across the field
And let's win this game tonight! Hey!
(repeat)

So bring down the ball, Milledgeville.
We're backing you all, Milledgeville.
Our team is a fame protector,
On, boys, 'cause we expect a
Victory for you, Milledgeville!

Bring out the dear old flag of orange and black
Because our sons and daughters are fighting for you
Amid the old and giants,
Facing reliance, shouting defiance,
OSKEEWAHWAH!

Amid the broad green plains that nourished our land,
For honest labor and for learning we stand;
And unto thee we pledge our hearts and hands
For dear old high school Milledgeville!

Basketball (Tune: "Illinois Loyalty")

We're loyal to you Milledgeville,
We're orange and black Milledgeville.
We'll back you to stand
Against the best in the land
For we know you will stand, Milledgeville.
