

PRESCHOOL SCREENING CARROLL COUNTY 2019

*Appointments
are required!*

WHO?

Any child who will be three or four years old by Sept. 1, 2019

WHAT?

In an appointment that will take about 60 minutes, your child will be screened to check motor, language, cognitive development, and vision and hearing. During an exit conference, parents will be given an overview of how their child did and information about educational opportunities. If parents are interested in free preschool, a family needs assessment will be included.

WHY?

- ★ To find out how your child is developing and how you can help him/her learn even more
- ★ To find out if your child may be eligible for a free preschool
